

Minutes of the Building and Grounds Committee
April 12, 2022

Present: Heather Brown, Bonnie Hamilton, and Wendy Workman from the Board
Christopher Siscoe, Donald Hemmelgarn, and Lora Messer from the staff.

Meeting called to order at 5:30 p.m.

1. The committee inspected the repairs and renovations made to the public restrooms and meeting room that were approved at the March 2022 board meeting.
2. The committee approved Lora Messer's idea to put a miniature conifer in each of the outside planters near the tables and benches. Then annuals or perennials could be planted around the conifers.
3. The committee then talked about the following work for 2022-2023:
 - a. Security cameras in the lobby
 - b. Washing the windows
 - c. Cleaning the carpets
 - d. Solving the gutter issues
 - e. Power washing the building
